101 Performance Projects for Your Pickup and SUV Aug 30 2022 "Pickup" and "sports utility vehicle" seem like quaint names for these

workhorses. More and more, they're what people tune up, trick out, and take on the road (or off). This book aims to help drivers make the most of their machines. With 101 projects running the gamut from installing light bars and brush guards to gearing up for hardcore horsepower and high-performance feats, this book will show truck and SUV owners of all stripes how to personalize their rides. 101 Performance Projects for Your Pickup and SUV offers easy-to-follow, clearly illustrated how-

to information on everything from appearance modifications to more extensive upgrades, with plenty of instructions for the many bolt-on solutions that are available in the marketplace. Planning, tools, expenses, pros, and cons: its all here. The author walks owners through the nuts and bolts of lowering and lift kits, running boards and in-car entertainment systems, winches, wheels and tires, and the full range of installations and accessories that will take a truck or an SUV to the next level.

Saving Grace at Guantanamo Bay May 27 2022 "Hard as it is to believe, one of the most significant stories of the post-9/11 age is also one of the least known-life at Gitmo, the detention facility for many of the world's worst terrorists. Few individuals are more qualified to tell this story than Montgomery Granger, a citizen soldier, family man, dedicated educator, and Army Reserve medical officer involved in one of the most intriguing military missions of our time. *Saving Grace at Guantanamo Bay* is about that historic experience, and it relates not only what it was like for Granger to live and work at Gitmo, but about the sacrifices made by him and his

fellow Reservists serving around the world." Andrew Carroll, editor of the New York Times bestsellers *War Letters* and *Behind the Lines Saving Grace at Guantanamo Bay*, or "Gitmo: The Real Story," is a "good history of medical, security, and intelligence aspects of Gitmo; also, it will be valuable for anyone assigned to a Gitmo-like facility." Jason Wetzel, Field Historian, Office of Army Reserve History U.S. Army Reserve Captain Montgomery Granger found himself the ranking Army Medical Department officer in a joint military operation like no other before it - taking care of terrorists and murderers just months after the horrors of September 11, 2001. Granger and his fellow Reservists end up running the Joint Detainee Operations Group (JDOG) at Guantanamo Bay's infamous Camp X-Ray. In this moving memoir, Granger writes about his feelings of guilt, leaving his family and job back home, while in Guantanamo, he faces a myriad of torturous emotions and self-doubt, at once hating the inmates he is nonetheless duty bound to care for and protect. Through long distance love, and much heartache, Granger finds a way to keep his sanity and dignity. *Saving Grace at Guantanamo Bay* is his story.

Irishness and Womanhood in
Nineteenth-century British

Writing Dec 30 2019 Using
Lady Morgan's The Wild Irish
Girl as his point of departure,
Thomas J. Tracy argues that
nineteenth-century debates
over what constitutes British
national identity often revolved
around representations of
Irishness, especially Irish
womanhood. He maps the
genealogy of this development
in fiction, political discourse,
and the popular press, from
Edgeworth's Castle Rackrent
through Trollope's Irish novels,
focusing on the pivotal period
from 1806 through the 1870s.
