[The British Constitution: A Very Short Introduction](#) Dec 29 2019 The British constitution is regarded as unique among the constitutions of the world. What are the main characteristics of Britain's peculiar constitutional arrangements? How has the British constitution altered in response to the changing nature of its state - from England, to Britain, to the United Kingdom? What impact has the UK's developing relations with the European Union caused? These are some of the questions that Martin Loughlin addresses in this Very Short Introduction. As a constitution, it is one that has grown organically in response to changes in the economic, political, and social environment, and which is not contained in a single authoritative text. By considering the nature and authority of the current British constitution, and placing it in the context of others, Loughlin considers how the traditional idea of a constitution came to be retained, what problems have been generated as a result of adapting a traditional approach in a modern political world, looking at what the future prospects for the British constitution are. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

[Terrorism and Homeland Security](#) Sep 17 2021 Written by acclaimed national terrorism expert Jonathan R. White, market-leading TERRORISM AND HOMELAND SECURITY is widely recognized as the most comprehensive, balanced, and objective text available for the course. Packed with engrossing examples and cutting-edge discussions, the Ninth Edition continues to provide a theoretical and conceptual framework that enables your students to understand how terrorism arises and how it functions. White discusses the theories of the world's best terrorist analysts, while focusing on the domestic and international threat of terrorism and basic security issues. He presents essential historical background on the phenomenon of terrorism and the roots of contemporary conflicts, current conflicts shaping the world stage, emerging groups (e.g., Boko Haram, Ansaru, and ISIS), and theoretical and concrete information about Homeland Security organizations. Each chapter also contains a new analysis of probable future trends in terrorism and security. [Sayyid Qutb and the Origins of Radical Islamism](#) Jan 10 2021 Sayyid Qutb (1906-1966) was an influential Egyptian ideologue credited with establishing the theoretical basis for radical Islamism in the post colonial Sunni Muslim world. Lacking a pure understanding of the leader's life and work, the popular media has conflated Qutb's moral purpose with the aims of bin Laden and al-Qaeda. He is often portrayed as a terrorist, Islamo-Fascist, and advocate of murder. This book rescues Qutb from misrepresentation, tracing the evolution of his thought within the context of his time. An expert on social protest and political resistance in the modern Middle East, as well as Egyptian nationalism, John Calvert recounts Qutb's life from the small village in which he was raised to his execution at the behest of Abd al-Nasser's regime. His study remains sensitive to the cultural, political, social, and economic circumstances that shaped Qutb's thought-major developments that composed one of the most eventful periods in Egyptian history. These years witnessed the full flush of Britain's tutelary regime, the advent of Egyptian nationalism, and the political hegemony of the Free Officers. Qutb rubbed shoulders with Taha Husayn, Naguib Mahfouz, and Abd al-Nasser himself, though his Islamism originally had little to do with religion. Only in response to his harrowing experience in prison did Qutb come to regard Islam and kufr (infidelity) as oppositional, antithetical, and therefore mutually exclusive. Calvert shows how Qutb repackaged and reformulated the Islamic heritage to pose a challenge to authority, including those who claimed (falsely, he believed) to be Muslim.

[City of Spirits](#) Aug 29 2022 Mog and Nick travel to Calcutta, in India, the country of their birth and the supposed location of the mysterious Winter diamond. Their family has owned the diamond for generations, and when they learn that a ruthless sea-captain is intending to seek it out and make his fortune, they determine to beat him to it and claim what is rightfully theirs. But when they arrive in Calcutta, they soon learn that the diamond also has far more sinister powers, and as they pursue their quest, the shadowy figure of Damyata is never far away...

[Gentle's Holler](#) Dec 09 2020 In the early 1960s, twelve-year-old songwriter Livy Two Weems dreams of seeing the world beyond the Maggie Valley, North Carolina, holler where she lives in poverty with her parents and eight brothers and sisters, but understands that she must put family

[The Printer's Devil](#) Oct 31 2022 The notorious inhabitants of London's criminal underworld are all in a day's work for Mog, the printer's apprentice, who prints their "wanted" posters. A real-life meeting with a convict entangles Mog in a secret scheme in this suspenseful tale.

[Towards Sustainable Coastal Development](#) May 02 2020 Utilizing the coastal problems of South Asia, including sea level rise, [Towards Sustainable Coastal Development: Institutionalizing Integrated Coastal Zone Management and Coastal Climate Change Adaptation in South Asia](#) investigates the role of law and regional regimes in facilitating linkages between integrated coastal zone management and coastal climate change adaptation to contribute to sustainable coastal development.

[The Biology of the First 1,000 Days](#) Nov 27 2019 The first 1,000 days, from conception to two years of age, is a critical period of growth and development. Exposures to dietary, environmental, hormonal, and other stressors during this window have been associated with an increased risk of poor health outcomes, some of which are irreversible. The book addresses this crucial interval of early life across biological disciplines, linking concepts related to all biological fields to outcomes during the first 1,000 days (e.g. fetal growth and pregnancy outcomes) and beyond (e.g. gut microbiome and cardiovascular disease later in life). The strength of this book lies in its cross-disciplinary nature.

[Leon and the Spitting Image](#) Oct 26 2019 This book is about a hotel full of animals. And an evil ice maker. And glass eyeballs -- oh, and really old panty hose and Possibly Fake Hair. But mostly, it's about Leon Zeisel and his epic quest to survive fourth grade, despite his teacher, Miss Hagemeyer, and his archenemy, Lumpkin the Pumpkin, a human tank with a deadly dodgeball throw. Luckily, Leon has friends who will stand by him even if his magical plans for rescue and revenge involve ... SPIT!

[Dark Lies the Island](#) Jul 24 2019 An award-winning collection from the author of *City of Bohane*, which was hailed by Pete Hamill as "full of marvels" (*The New York Times Book Review*) * Short-listed for the Frank O'Connor Short Story Award * Winner of the Sunday Times Short Story Award * One of last year's most critically acclaimed books in the UK * A *Guernica* Best Book of the Year * A *Library Journal* "Best Indie Fiction of 2013" * *Dark Lies the Island* is a wickedly funny and hugely original collection of stories about misspent love and crimes gone horribly wrong. In the Sunday Times Short Story Award-winning "Beer Trip to Llandudno," a pack of middle-aged ale fanatics seeking the perfect pint find more than they bargained for. A pair of sinister old ladies prowl the countryside for a child to make their own. And a poet looking for inner calm buys an ancient inn on the west coast of Ireland but finds instead rancorous locals and catastrophic floodwaters. Kevin Barry's dazzling language, razor-sharp ear for the

vernacular, and keen eye for the tragedies and comedies of daily life invest these tales with a startling vitality. *Dark Lies the Island* was short-listed for the Frank O'Connor International Short Story Award, and as one of the most acclaimed collections in Europe in many years, it heralds the arrival of a new master of the short story.

Confronting the Bomb: Pakistani and Indian Scientists Speak Out May 14 2021 Rejecting nuclear nationalism, this is a unique work by scientists from both sides of the Pakistan-India divide that fearlessly explores tabooed, but urgent, nuclear issues that range from the political and strategic to semi-technical ones.

Weapons of Mass Migration Nov 19 2021 At first glance, the U.S. decision to escalate the war in Vietnam in the mid-1960s, China's position on North Korea's nuclear program in the late 1990s and early 2000s, and the EU resolution to lift what remained of the arms embargo against Libya in the mid-2000s would appear to share little in common. Yet each of these seemingly unconnected and far-reaching foreign policy decisions resulted at least in part from the exercise of a unique kind of coercion, one predicated on the intentional creation, manipulation, and exploitation of real or threatened mass population movements. In *Weapons of Mass Migration*, Kelly M. Greenhill offers the first systematic examination of this widely deployed but largely unrecognized instrument of state influence. She shows both how often this unorthodox brand of coercion has been attempted (more than fifty times in the last half century) and how successful it has been (well over half the time). She also tackles the questions of who employs this policy tool, to what ends, and how and why it ever works. Coercers aim to affect target states' behavior by exploiting the existence of competing political interests and groups, Greenhill argues, and by manipulating the costs or risks imposed on target state populations. This "coercion by punishment" strategy can be effected in two ways: the first relies on straightforward threats to overwhelm a target's capacity to accommodate a refugee or migrant influx; the second, on a kind of norms-enhanced political blackmail that exploits the existence of legal and normative commitments to those fleeing violence, persecution, or privation. The theory is further illustrated and tested in a variety of case studies from Europe, East Asia, and North America. To help potential targets better respond to-and protect themselves against-this kind of unconventional predation, *Weapons of Mass Migration* also offers practicable policy recommendations for scholars, government officials, and anyone concerned about the true victims of this kind of coercion—the displaced themselves.

Demon Thief (The Demonata, Book 2) Sep 25 2019 A hellish nightmare for only the bravest of readers... Darren Shan's horrifying series, *The Demonata*, continues with *Demon Thief*.

The God of Mischief Sep 29 2022 After the death of their mother, Mog and Nick Winter go to live with a distant cousin in an isolated gothic mansion where they try to uncover the secrets behind some mysterious deaths.

The Tyranny of Silence Apr 24 2022 Journalists face constant intimidation. Whether it takes the extreme form of beheadings, death threats, government censorship or simply political correctness—it casts a shadow over their ability to tell a story. When the Danish newspaper *Jyllands-Posten* published the cartoons of the prophet Muhammad nine years ago, Denmark found itself at the center of a global battle about the freedom of speech. The paper's culture editor, Flemming Rose, defended the decision to print the 12 drawings, and he quickly came to play a central part in the debate about the limitations to freedom of speech in the 21st century. In *The Tyranny of Silence*, Flemming Rose writes about the people and experiences that have influenced his understanding of the crisis, including meetings with dissidents from the former Soviet Union and ex-Muslims living in Europe. He provides a personal account of an event that has shaped the debate about what it means to be a citizen in a democracy and how to coexist in a world that is increasingly multicultural, multireligious, and multiethnic.

Two Centuries of US Military Operations in Liberia Feb 20 2022 This book reviews the history of the United States-Liberia relations from the early 1820s to 2015, with particular attention paid to the role of the US armed forces. Contrary to most literature on the genesis and development of Liberia, this book demonstrates how US military power has been the primary influence shaping Liberia's history. This includes the role played by the US military in the founding of Liberia, the protection of the country during the European formal colonial era, multiple covert operations in securing US-friendly administrations in Liberia, and direct military interventions when necessary to secure American interests in the region.

Guts Jul 16 2021 Guess what -- Gary Paulsen was being kind to Brian. In *Guts*, Gary tells the real stories behind the Brian books, the stories of the adventures that inspired him to write Brian Robeson's story: working as an emergency volunteer; the death that inspired the pilot's death in *Hatchet*; plane crashes he has seen and near-misses of his own. He describes how he made his own bows and arrows, and takes readers on his first hunting trips, showing the wonder and solace of nature along with his hilarious mishaps and mistakes. He shares special memories, such as the night he attracted every mosquito in the county, or how he met the moose with a sense of humor, and the moose who made it personal. There's a handy chapter on "Eating Eyeballs and Guts or Starving: The Fine Art of Wilderness Nutrition." Recipes included. Readers may wonder how Gary Paulsen survived to write all of his books -- well, it took guts.

Endymion Spring Nov 07 2020 "You've stumbled on to something much larger than you can possibly imagine." In the dead of night, a cloaked figure drags a heavy box through snow-covered streets. The chest, covered in images of mythical beasts, can only be opened when the fangs of its serpent's-head clasp taste blood. Centuries later, in an Oxford library, a boy touches a strange book and feels something pierce his finger. The volume is blank, wordless, but its paper has fine veins running through it and seems to quiver, as if it's alive. Words begin to appear on the page--words no one but the boy can see. And so unfolds a timeless secret . . .

The Whispering Road Apr 12 2021 A moving and powerful story about brother and sister, Joe and Annie, who flee from a pitiful existence as servants. They embark on a tough and perilous journey to Manchester in search of their mother who was forced to leave them at the workhouse when they were very young. Their future is tainted by the horrors of their past and as Annie is increasingly troubled by spirits, Joe is forced to make a tough decision. Driven by the lust for freedom, he sells Annie to a fair owner who plans to use her as a medium, and sets about creating a new identity for himself on the streets of Manchester. But the voices of the past won't leave Joe alone and ultimately he finds himself gravitating back to Annie and their original quest to discover the whereabouts of their mother.

The God of Mischief Mar 12 2021 Sent to live with their nearest living relative, Sir Septimus Wellynghame Cloy, the eccentric and rather sinister widower of their late mother's half-cousin, Mog and Nick find themselves spending a lot of time on their own, exploring. Two elderly manservants, Melibee and Bonefinger, guard Cloy and his house like malevolent ravens and, when strange things begin to happen - a falling gargoyle just missing them in the churchyard, a flagstone collapsing beneath their feet - the twins start having the same dream. Is Damyata at large again? References in old documents lead them to unveil some dark secrets in the history of the house, in particular 'the story behind the hangings' so, when their governess is found hanged, they fear 'the hangings' may have started again. Can the twins discover the truth behind the house and its family secrets, before their own lives become endangered?

Charmed Life May 26 2022 A bewitching comic fantasy by a master of the supernatural Cat doesn't mind living in the shadow of his sister, Gwendolen, the most promising young witch ever seen on Coven Street. But trouble starts brewing the moment the two orphans are summoned to live in Chrestomanci Castle. Frustrated that the witches of the castle refuse to acknowledge her talents, Gwendolen conjures up a scheme that could throw whole worlds out of whack.

The Long Gone Lonesome History of Country Music Jun 02 2020 A journey through the history of country music.

How to Train Your Dad Feb 08 2021 From Gary Paulsen, the award-winning author of Hatchet, comes a laugh-out-loud eco-adventure about a boy, his free-thinking dad and the puppy-training pamphlet that turns their summer upside down. Twelve-year-old Carl is fed up with his dad; he may be brilliant, but bin-diving for food, scouring through rubbish for 'salvageable' junk and wearing clothes fully sourced from garage sales is getting old. Increasingly worried by what his schoolmates will think - and encouraged by his riotous best friend - Carl decides to use a puppy-training pamphlet to 'retrain' his dad's mindset . . . a crackpot experiment that produces some hilarious results! How To Train Your Dad is a fierce and funny novel about family, friendship and green-living from middle-grade master Gary Paulsen.

The Turbulent Term of Tyke Tiler Feb 29 2020 Tyke Tiler is very fond of jokes, that's why there are so many in this story. Tyke is also fond of Danny Price, who is not too bright and depends a lot on his friend. Together Tyke and Danny are double trouble.

The Beijing Consensus Dec 21 2021 Beijing presents a clear and gathering threat to Washington—but not for the reasons you think. China's challenge to the West stems from its transformative brand of capitalism and an entirely different conception of the international community. Taking us on a whirlwind tour of China in the world—from dictators in Africa to oligarchs in Southeast Asia to South American strongmen—Halper demonstrates that China's illiberal vision is rapidly replacing that of the so-called Washington Consensus. Instead of promoting democracy through economic aid, as does the West, China offers no-strings-attached gifts and loans, a policy designed to build a new Beijing Consensus. The autonomy China offers, together with the appeal of its illiberal capitalism, have become the dual engines for the diffusion of power away from the West. The Beijing Consensus is the one book to read to understand this new Great Game in all its complexity.

'Bad' Women of Bombay Films Aug 05 2020 This book presents a feminist mapping of the articulation and suppression of female desire in Hindi films, which comprise one of modern India's most popular cultural narratives. It explores the lineament of evil and the corresponding closure of chastisement or domesticity that appear as necessary conditions for the representation of subversive female desire. The term 'bad' is used heuristically, and not as a moral or essential category, to examine some of the iconic disruptive women of Hindi cinema and to uncover the nexus between patriarchy and other hierarchies, such as class, caste and religion in these representations. The twenty-one essays examine the politics of female desire/s from the 1930s to the present day - both through in-depth analyses of single films and by tracing the typologies in multiple films. The essays are divided into five sections indicating the various gendered desires and rebellions that patriarchal society seeks to police, silence and domesticate.

The Apprentices Jul 28 2022 Life in eighteenth-century London was hard and especially so for the city's apprentices. For seven long years they struggled for their livelihoods among the fetid houses and sinister quays of old London. But despite their hardships there was hope and even fun. This compelling story-cycle follows them round the year, through the dark, cold winter nights to midsummer in the city, The lamplighter, the pawnbroker, the midwife or the clockmaker, their stories interweave delightfully to paint a colourful picture of life in London 200 years ago.

Mapping the Path to Maturity Mar 31 2020 This book delves into varied aspects of the history of Bengal and North east situated within a time frame of more than a hundred years, from the colonial times to the present. The individual essays deal with ideas, literary texts, politics, gender, industries, culture, health, sports and tribal issues relevant to these regions. Probing health issues in the colonial period the volume also explains the development of the modern coal industry on the one hand and the survival of the traditional potter's craft on the other. The significance of traditional healing practices is dwelt upon as also the question of female health and dissemination of knowledge. The pen-picture of the happenings at the bathing ghat reveals the vibrant rural social life of the times. The modernization of the theatre gives a glimpse into the cultural ethos. The institutionalization of sports is examined. Analysis of contemporary cinema throws light on the perception of a woman's position in society. As the reader travels from Bengal to the North-East, the impact of missionary activities on tribal life is revealed. The tribals' search for identity is explored. The issues of peace, security and the interests of independent India are also dissected. This volume would be indispensable for scholars of literature, history, film studies, political science and contemporary studies in South Asia. Please note: Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka

India Unbound Jan 22 2022 India today is a vibrant free-market democracy, a nation well on its way to overcoming decades of widespread poverty. The nation's rise is one of the great international stories of the late twentieth century, and in India Unbound the acclaimed columnist Gurcharan Das offers a sweeping economic history of India from independence to the new millennium. Das shows how India's policies after 1947 condemned the nation to a hobbled economy until 1991, when the government instituted sweeping reforms that paved the way for extraordinary growth. Das traces these developments and tells the stories of the major players from Nehru through today. As the former CEO of Proctor & Gamble India, Das offers a unique insider's perspective and he deftly interweaves memoir with history, creating a book that is at once vigorously analytical and vividly written. Impassioned, erudite, and eminently readable, India Unbound is a must for anyone interested in the global economy and its future.

Saudi Arabia and the Global Islamic Terrorist Network Sep 05 2020 Saudi Arabia influences American policy through both conventional and unconventional methods, ranging from lobbying and endowments to think tanks, policy centers, universities, and workshops for schoolteachers, all due to the petro-dollars that have been generated from America's addiction to foreign oil. With chapters written by long-time experts in the fields of national security, foreign policy, education, and law, this book uses first-hand accounts to explore the Saudis' vast grip. It addresses how Saudi influence has eased the rise of domestic terrorism as well as a promulgation of pernicious ideas regarding American foreign policy. All this has produced a philosophy of moral equivalency, mitigating against a sense of American exceptionalism or a moral clarity of America's unique mission in the world.

The Round Britain Quiz Book Jun 26 2022 'The nerdiest and longest-running quiz around' The Spectator Have you got what it takes to tackle Radio 4's most fiendish quiz? Question: A fictional criminal psychologist, a former Conservative minister, and the eponymous protagonist of a Peter Hedges novel, might all serve on the board alongside some big cheeses. Can you explain?* The Round Britain Quiz is the oldest broadcast quiz anywhere in the world. Created in 1947 it has built and maintained a cult following from across the generations. Each series sees six teams from around the UK competing against each other to solve a series of seriously cryptic clues, with a chairman giving a steer on how to get to the answer. Compiled by long-serving series producer, Paul Bajoria, and with an introduction from the Chairman, BBC journalist Tom Sutcliffe, The Round Britain Quiz Book features 250 of the toughest and most challenging questions from the last 70 years as well as many new and exclusive conundrums, drawing on unpredictable fields of knowledge, to truly test the nation. *Answer: They might all be found on a cheeseboard, as accompaniments to the cheese. The psychologist referred to is 'Fitz' in the TV series Cracker, the former MP is Eric Pickles, and Gilbert Grape is Peter Hedges' creation.

The Lines On Nana's Face Jun 14 2021 It's granny's birthday, but her little granddaughter wonders why, because of the lines on her face, she looks so worried! But they are simply wrinkles, and grandma is very fond of her lines because they are where she keeps her memories. In this imaginative

and charming story, Simona Ciraolo turns the lines from old age into little wrinkles of wonder and memory as a little girl learns all about the precious moments in her grandma's life.

Leon and the Champion Chip Jul 04 2020 Leon's back. Having survived the sweatshop methods of Miss Hagmeyer, his needle-wielding fourth grade teacher at the Classical School, Leon braces himself for fifth grade. He arrives armed with a backpack full of pens and pencils, binders and notebooks . . . plus a rag doll that's the spitting image of Henry Lumpkin, the bully who has Leon in his sights. If the doll works the way it's supposed to, Leon (and his buddies P.W. and Lily-Matisse) won't have to worry about Lumpkin the Pumpkin! Better still, Leon has a fabulous new teacher, Mr. Sparks, who conducts science experiments using that most miraculous of research materials -- the potato chip. And a good thing, too. Mr. Sparks's lab work will come in handy when Leon is forced to take on Alphonse "The Chippopotamus" Cipollini at the annual Chipapalooza! Chip-Off. Once you've sunk your teeth into Leon and the Champion Chip, the hilarious sequel to Leon and the Spitting Image, you'll never eat potato chips the same way again!

Modern Political Warfare Oct 19 2021 "The United States today faces a number of actors who employ a wide range of political, informational, military, and economic measures to influence, coerce, intimidate, or undermine U.S. interests or those of friends and allies; many of these measures are often collectively referred to as "political warfare." This report analyzes political warfare as it is practiced today by both state and nonstate actors, and provides detailed recommendations regarding the most effective ways that the U.S. government, along with its allies and partners, can respond to or engage in this type of conflict to achieve U.S. ends and protect U.S. interests. The authors examine historical antecedents of political warfare and current-day practices through in-depth case studies of Russia, Iran, and the Islamic State. They use these cases to derive common attributes of modern political warfare. The authors then identify effective means for responding to these challenges. Drawing on documentary and field research as well as extensive semistructured interviews with practitioners in the U.S. government and elsewhere, they determine gaps in practices and capabilities for addressing political warfare threats. The report concludes with recommendations for countering political warfare by creating a more effective, coordinated, and cost-sensitive approach to effective statecraft, including specific measures for the U.S. State Department and the U.S. military, particularly the special operations community.
